

2021-2022 GREENVILLE BRANCH PROFILE

In the 34 counties served by the Food Bank of Central & Eastern North Carolina, over 500,000 people don't always know where their next meal will come from. Rising costs and the lingering impact of COVID-19 is affecting communities and populations of people that were already made vulnerable by inequitable policies and structures. Food insecurity is a defined reality for hundreds of thousands of Americans who cannot keep food on the table. The Food Bank works every day to nourish people while building solutions to hunger through programming and partnerships, empowering North Carolina communities to thrive.
