The ways we have used technology to connect with one another has exponentially grown, but our basic household needs remain ever present. Therefore, {company name} will compete against other tech companies across the {@foodbankcenc} 34- county service area in Bytes 4 Bites 2022! We set the bar at {meal goal} to Visit our fundraising page to join the mission to end hunger in our community!
#Bytes4Bites #NoOneGoesHungry

We are off to a great start to Bytes 4 Bites 2022! With the loss of jobs, income, and in-person schooling, there are more individuals and families struggling to keep food on the table. We are looking to raise {Meal goal} for the 600,000 people facing food insecurity in the {@foodbankcenc} service area. Join the mission to end hunger by following this link. #Bytes4Bites #NoOneGoesHungry

We are at the halfway point of Bytes 4 Bites and Our Just Giving fundraising page provides funds directly to the {Food Bank} where \$20 will provide 100 meals to the 6000,000 people facing food insecurity in our community. Visit our page (link) to learn how you can join the mission to end hunger in our community!
#Bytes4Bites #NoOneGoesHungry

There's still time to join us in the fight against hunger in our community! Go to our Byte4Bites page to help us reach (meal goal) #Bytes4Bites #NoOneGoesHungry
